

## Client Ref. TAC

---

### The client and market

We are working with an **established consumer product company seeking to launch a range of functional shot-sized beverages** (i.e., approx. 60ml volume). The intention is to fill the drinks in aluminium bottles, with accompanying ROPP aluminium closures. The client has completed development of the beverage and design of the bottle/cap and is searching for established suppliers to support manufacturing scale-up and global expansion into key markets.

### The search

The client is therefore actively searching for **established manufacturers of aluminium bottles (and caps if applicable)** that can meet the following requirements: -

#### Product characteristics

- 60 ml bottle (i.e., 'shot' sized) aluminium bottle (virgin or recycled)
- 35mm diameter and 90mm height
- Neck diameter 28mm designed to work with ROPP cap / thread
- Options for decoration (transfer, printing or embossing, ideally with over lacquer on final artwork)
- Must be suitable for dietary supplement beverage application

#### Supplier characteristics

- Certifications – GDP, HACCP, ISO9001
- Capacity to produce bottles of required specification at scale (minimum – 5 million annually)
- Ability to supply globally - local manufacturing for Americas, Asia and Europe preferred

#### Nice to haves

- Recycled / ESG friendly options
- Already supplying the beverage / food / nutraceutical / supplements market
- Ability to manufacture 28ROPP caps to fit bottles

### What our client can offer

Our client is looking for companies that will become trusted manufacturing partners. This therefore represents an excellent business opportunity for an ongoing partnership with a leading and global brand partner. All potential partners should be able to demonstrate their capability and experience for this search by way of supporting literature (product catalogues and company presentations) / references.

Please provide details of any potential partners to Diane Kolonko via [diane@strategicallies.co.uk](mailto:diane@strategicallies.co.uk)
